Dear Parents and Students,

We have completed our initial phase (5 weeks) of the checkpoint assessments. These marks will be reflected in the first report card (scheduled to be issued November 7th)

To help with planning/scheduling, please note the remaining checkpoint assessment schedule for term 1:

	Assessment 1	Assessment 2	Assessment 3
Oct 27th-31st	UAE SS (6-8) Bus. Studies (9-10)	Social Studies	English
Nov 3rd-7th	ICT	Science	Arabic
Nov 10th-14th	Math	Islamic Studies	English
Nov 17th-21st	UAE SS (6-8) Bus. Studies (9-10)	Arabic	Social Studies

Throughout the process parents and students should expect:

- regular/timely communication from the teachers
- assessment tasks/outlines sent on the final Thursday before the assessment
- assessment tasks that match the teaching and learning that has already taken place
- corresponding success criteria (rubrics, question banks, etc...)
- an additional opportunity to improve results after the initial assessment
- balanced workload that does not include additional homework or assessments outside of the checkpoint assessment schedule

Thank you for your continued support.

Kind regards,

Ryan Sargeant
